

## "Space Odyssey: World Space Week"

**At KAMP**, we firmly believe that experiential learning is the cornerstone of nurturing a profound interest in science and fostering an understanding of various developments in India among students. Our KAMP initiative offers a distinctive opportunity to students in grades **5th through 12th**, enabling them to explore, discover, and actively engage with diverse scientific fields in real-world settings. This unique experience unfolds at renowned CSIR laboratories and esteemed research organizations across India.

These scientific excursions present an exceptional chance for students to step into the world of science and visit prestigious institutions such as **ISRO, DRDO, Bose Institute, BARC**, and many more. It grants them the opportunity to delve into various scientific domains in an authentic environment, helping them shape their aspirations. These excursions are designed to provide students with hands-on experiences, interactions with experts, and a tantalizing glimpse into the captivating realm of science.

If you're eager to embark on an enriching scientific journey filled with exploration, discovery, and enjoyment, we extend a warm invitation to the registered **KAMP-NASTA** students in **classes V to XII**, accompanied by a teacher from your school.

Join us for our upcoming Scientific Excursions at the **Indian Space Research Organization's National Remote Sensing Centre (ISRO - NRSC) in Hyderabad, Telangana, during World Space Week, starting from Thursday, 9th October, 2023, until 12th October, 2023**. The excursions will run from **9:30 a.m. to 3:00 p.m.** \*While schools have the flexibility to register for specific days, it's important to note that seating is limited to 150 participants per day and will be allocated on a first-come-first-served basis.

We look forward to welcoming your school to this remarkable educational experience.

KAMP's Scientific Excursion #13	Monday, 9th October, 2023
KAMP's Scientific Excursion #14	Tuesday, 10th October, 2023
KAMP's Scientific Excursion #15	Wednesday, 11th October, 2023
KAMP's Scientific Excursion #16	Thursday, 12th October, 2023

Kindly fill out the nomination list (refer to Annexure 2) with the names of **the interested KAMP-NASTA 2023 students** along with a **teacher** to participate in this excursion. Please fill out the form and share it with our team by **September 30, 2023**.

In case of any queries, please reach us at (+91) 9599576228, (+91) 9289359694 or mail us at [info@kamp.res.in](mailto:info@kamp.res.in).

Regards,  
KAMP Team

Scientific Excursion at the  
**Indian Space Research Organisation - National Remote Sensing Centre (ISRO - NRSC)**

Address: 6, Medak Rd, IDA Jeedimetla, Chinthal, Jeedimetla, Hyderabad, Telangana 500055

Location - (<https://maps.app.goo.gl/NiV2PJPtgV859J3z7>)

For KAMP-NASTA 2023 students

Organized by  
Knowledge and Awareness Mapping Platform (KAMP)  
**9:30 a.m. – 3:00 p.m.**

<b>Programme Schedule</b>	
9:30 a.m.	Assemble at the ISRO-NRSC main gate
9:30 a.m. - 10:00 a.m.	Attendance of the school and students ( <u>Snacks and Beverage for the participants</u> )
10:00 a.m- 11:00 a.m	Briefing about the ISRO – NRSC and the excursion, lecture on Indian Space Program
11:00 a.m - 11:45 a.m	Interactive session with scientists
11:45 a.m - 12:00 p.m.	A group photograph of all the students and teachers
12:00 p.m. - 1:00 p.m.	Visit to the Exhibition Areas, Water Rocket Demo, Visit to Virtual Ground Station
01:00 p.m. - 02:00 p.m.	Lunch
2:00 p.m. - 3:00 p.m.	Fun Acitivities for Students

## Annexure 1

### Guidelines for Participating in the Scientific Excursions

1. **Eligibility Criteria:** Students enrolled in KAMP – NASTA are eligible to participate in the Scientific Excursions.
2. **Nomination Process:** The nominations for the excursions will be done by the participating schools only. Schools are responsible for nominating interested students from their school/institution for the excursions.
3. **Nomination Procedure:** Schools can nominate the details of the interested students through the school login panel under the Excursions section.
4. **Contact for Nomination:** Students interested in participating in the Scientific Excursions should get in touch with their respective school teacher or KAMP-Nodal Officer to express their interest and get nominated.
5. **Travel and Logistics:** Travel and logistics will be self-sponsored by the respective school.
6. **Safety Protocols:** For the safety of students during the Scientific Excursions, the following safety protocols will be strictly adhered to:
  - a. **Supervision:** The KAMP-nodal officer or at least one teacher from the participating school will accompany the students throughout the entire duration of the excursion. Their role will be to provide guidance, and support, and ensure the well-being of the students.
  - b. **Medical Information:** Participants will be asked to provide any relevant medical information or special health considerations. This will help the accompanying teachers and excursion organizers take appropriate measures in case of any medical emergencies.
  - c. **Parental Consent:** Prior to the excursion, parents or guardians of the participating students will be required to provide written consent for their child's participation in the Scientific Excursion.
  - d. **Photo I.D. Requirement:** All participating students are required to bring a valid Photo I.D. for attendance and entry to the venue during the Scientific Excursion. The Photo I.D. will be used for identification purposes and to ensure the security of all participants.

**Important Note:** Due to the limited availability of seats, only KAMP NASTA students can Register for the Outreach Activities. If you wish to know more about enrolment in KAMP-NASTA, please visit <https://kamp.res.in/StudentRegistrationNew/index>.

**Disclaimer:** *The Scientific Excursion organized by KAMP is exclusively for participants of KAMP – NASTA, and there is no additional fee or any charges imposed by KAMP or the prestigious labs/research organizations involved. We would like to emphasize that KAMP does not endorse or authorize any party to collect fees from schools, students, or parents in connection with the Scientific Excursion. If anyone seeks any kind of fee for participation, KAMP shall not be responsible for such actions. Any updates or relevant information regarding the excursion will be communicated directly through official KAMP channels and the KAMP – NASTA website. Participants are encouraged to verify the authenticity of any communication related to the excursion and promptly report any suspicious or unauthorized activities to KAMP.*

## **Annexure 2**

### List of Interested Participants

Please access the provided Excel sheet to submit nominations for interested students and accompanying teachers. Schools have the flexibility to select a suitable date for their nomination and furnish the necessary details. The Excel sheet has been shared separately. Each school can nominate a maximum of 50 students for the excursion mentioned above. Additionally, each school is limited to participating on a single day.
